### OutsideIN Policy Paper – Have your say!

To ensure that we share the lessons of the project and maximise the impact of what we have achieved, we are preparing a Policy Paper which will examine the experience of the project partners and make recommendations for policy change on the basis of that experience. If you would like to have your say and contribute to the Paper; feel free to share your views by completing our survey here: <https://www.surveymonkey.com/r/T7X99WZ>
